

Subcontractor / Supplier Application

Holland Construction Services, Inc. is committed to maintaining a fair bidding process and positive relationships with subcontractors. In an effort to better understand each new company's qualifications to perform work for Holland Construction Services, Inc. we request that every Subcontractor and Supplier fill out this form. Please do so completely and accurately.

By filling out this Subcontractor / Supplier Application we will be able to identify if your business fits the type of projects and the project size HCS provides. We will then place you in the appropriate section of our database.

Thank you for your application and interest in working with us on future projects!
